

“TRAVEL SAFER” GUIDANCE FOR RESIDENTS AND AREA VISITORS

RUSK COUNTY, NORTHWEST WI (May 15, 2020) - Due to the COVID-19 pandemic and the continued spread of the COVID-19 virus, Rusk County Public Health is issuing “Travel Safer” Guidance. As businesses begin to open, it is more critical than ever to exercise caution in public places. Please consider your own health as well as the safety and well-being of vulnerable populations when traveling.

- I. Due to continued community transmission of COVID-19 throughout the State and across the Nation, Rusk County Public Health recognize that Safe Travel is a shared responsibility between permanent and seasonal residents, area visitors, municipalities, tourism industry, local businesses and workplaces to prevent COVID-19 transmission.
2. Rusk County Public Health recommends the following when traveling:
 - A. Check with local communities for area specific safety updates and closures.
 - B. Check with local business or events you plan on attending **in advance** for updated changes in operation or new safety protocols in place.
 - C. Respect local businesses and other patrons by following their safety protocols when visiting their establishments.
 - D. Practice **enhanced** personal hygiene including:
 - a. frequent hand washing
 - b. wearing a mask when in public
 - c. using hand sanitizer when hand washing is not available
 - d. disinfect frequently touched surfaces often
 - E. **Do not** travel when you or someone in your household is ill or exhibiting any symptoms of COVID-19.
 - F. Limit non-essential trips and limit the number of people participating in errands.
 - G. Consider limitations in facilities (i.e. restrooms, handwashing stations) open to public during this time and plan accordingly.
 - H. Continue to practice physical distancing and maintain 6’ from others whenever possible
 - I. Keep track of places you visit while traveling in case an outbreak in that area occurs or you become ill and need to provide that information to health officials.
 - J. Avoid crowds and crowded areas when possible.
